Acknowledgements

- I want to give a big thank you to all the teachers in the Clevered Internship and especially to Ms Mani for helping me throughout this course. I have also learnt how to code in Snap .

About Me..

. My name is Yusuf I am 11 years old. I love Art and I am currently doing 3 sports swimming, boxing and BJJ. In my spare time i like to play in my garden with my 5 sisters I also love making games on Snap and my favorite film is Starwars .

ABOUT MY INTERNSHIP

- This course has been amazing, I have loved coding on Snap I have learnt how to make an Art Recognition app
- I have earnt an attendance badge and a rockstar badge

About App..

The App draws the shape that you tell it to

It uses Speech Recognition and Speech Synthesis which was coded on Snap

How do I use the App?

- 1) You open the app
- 2) The app introduces itself and prompts you to say the shape that needs to be drawn
- 3) In order to clear the screen you need to say "CLEAR"

Contact Person

- Please reach out to student name Yusuf Iqbal at student's email address yusufiqbal.ilm@gmail.com for any questions/ concerns/ suggestions on the App

Thank you!

A big thank you to everyone at Clevered who has supported me on this Internship, my parents who enrolled me to this course and all the students who have made this course enjoyable.
